

THE COLLECTIVE

Spring Edition 01

Welcome to the very first edition of “The Collective”, our Monthly Newsletter - a shared space to celebrate progress and stay connected across the Sujan and HUSE ecosystem. April was a month filled with meaningful milestones, new initiatives, and inspiring collaborations. Whether you're part of Sujan Industries, or HUSE, these stories belong to all of us. Let's take a moment to reflect, celebrate, and look forward to what's next.

A LEGACY OF LEARNING

Inauguration of the Ashok Sujan Scholarship Scheme

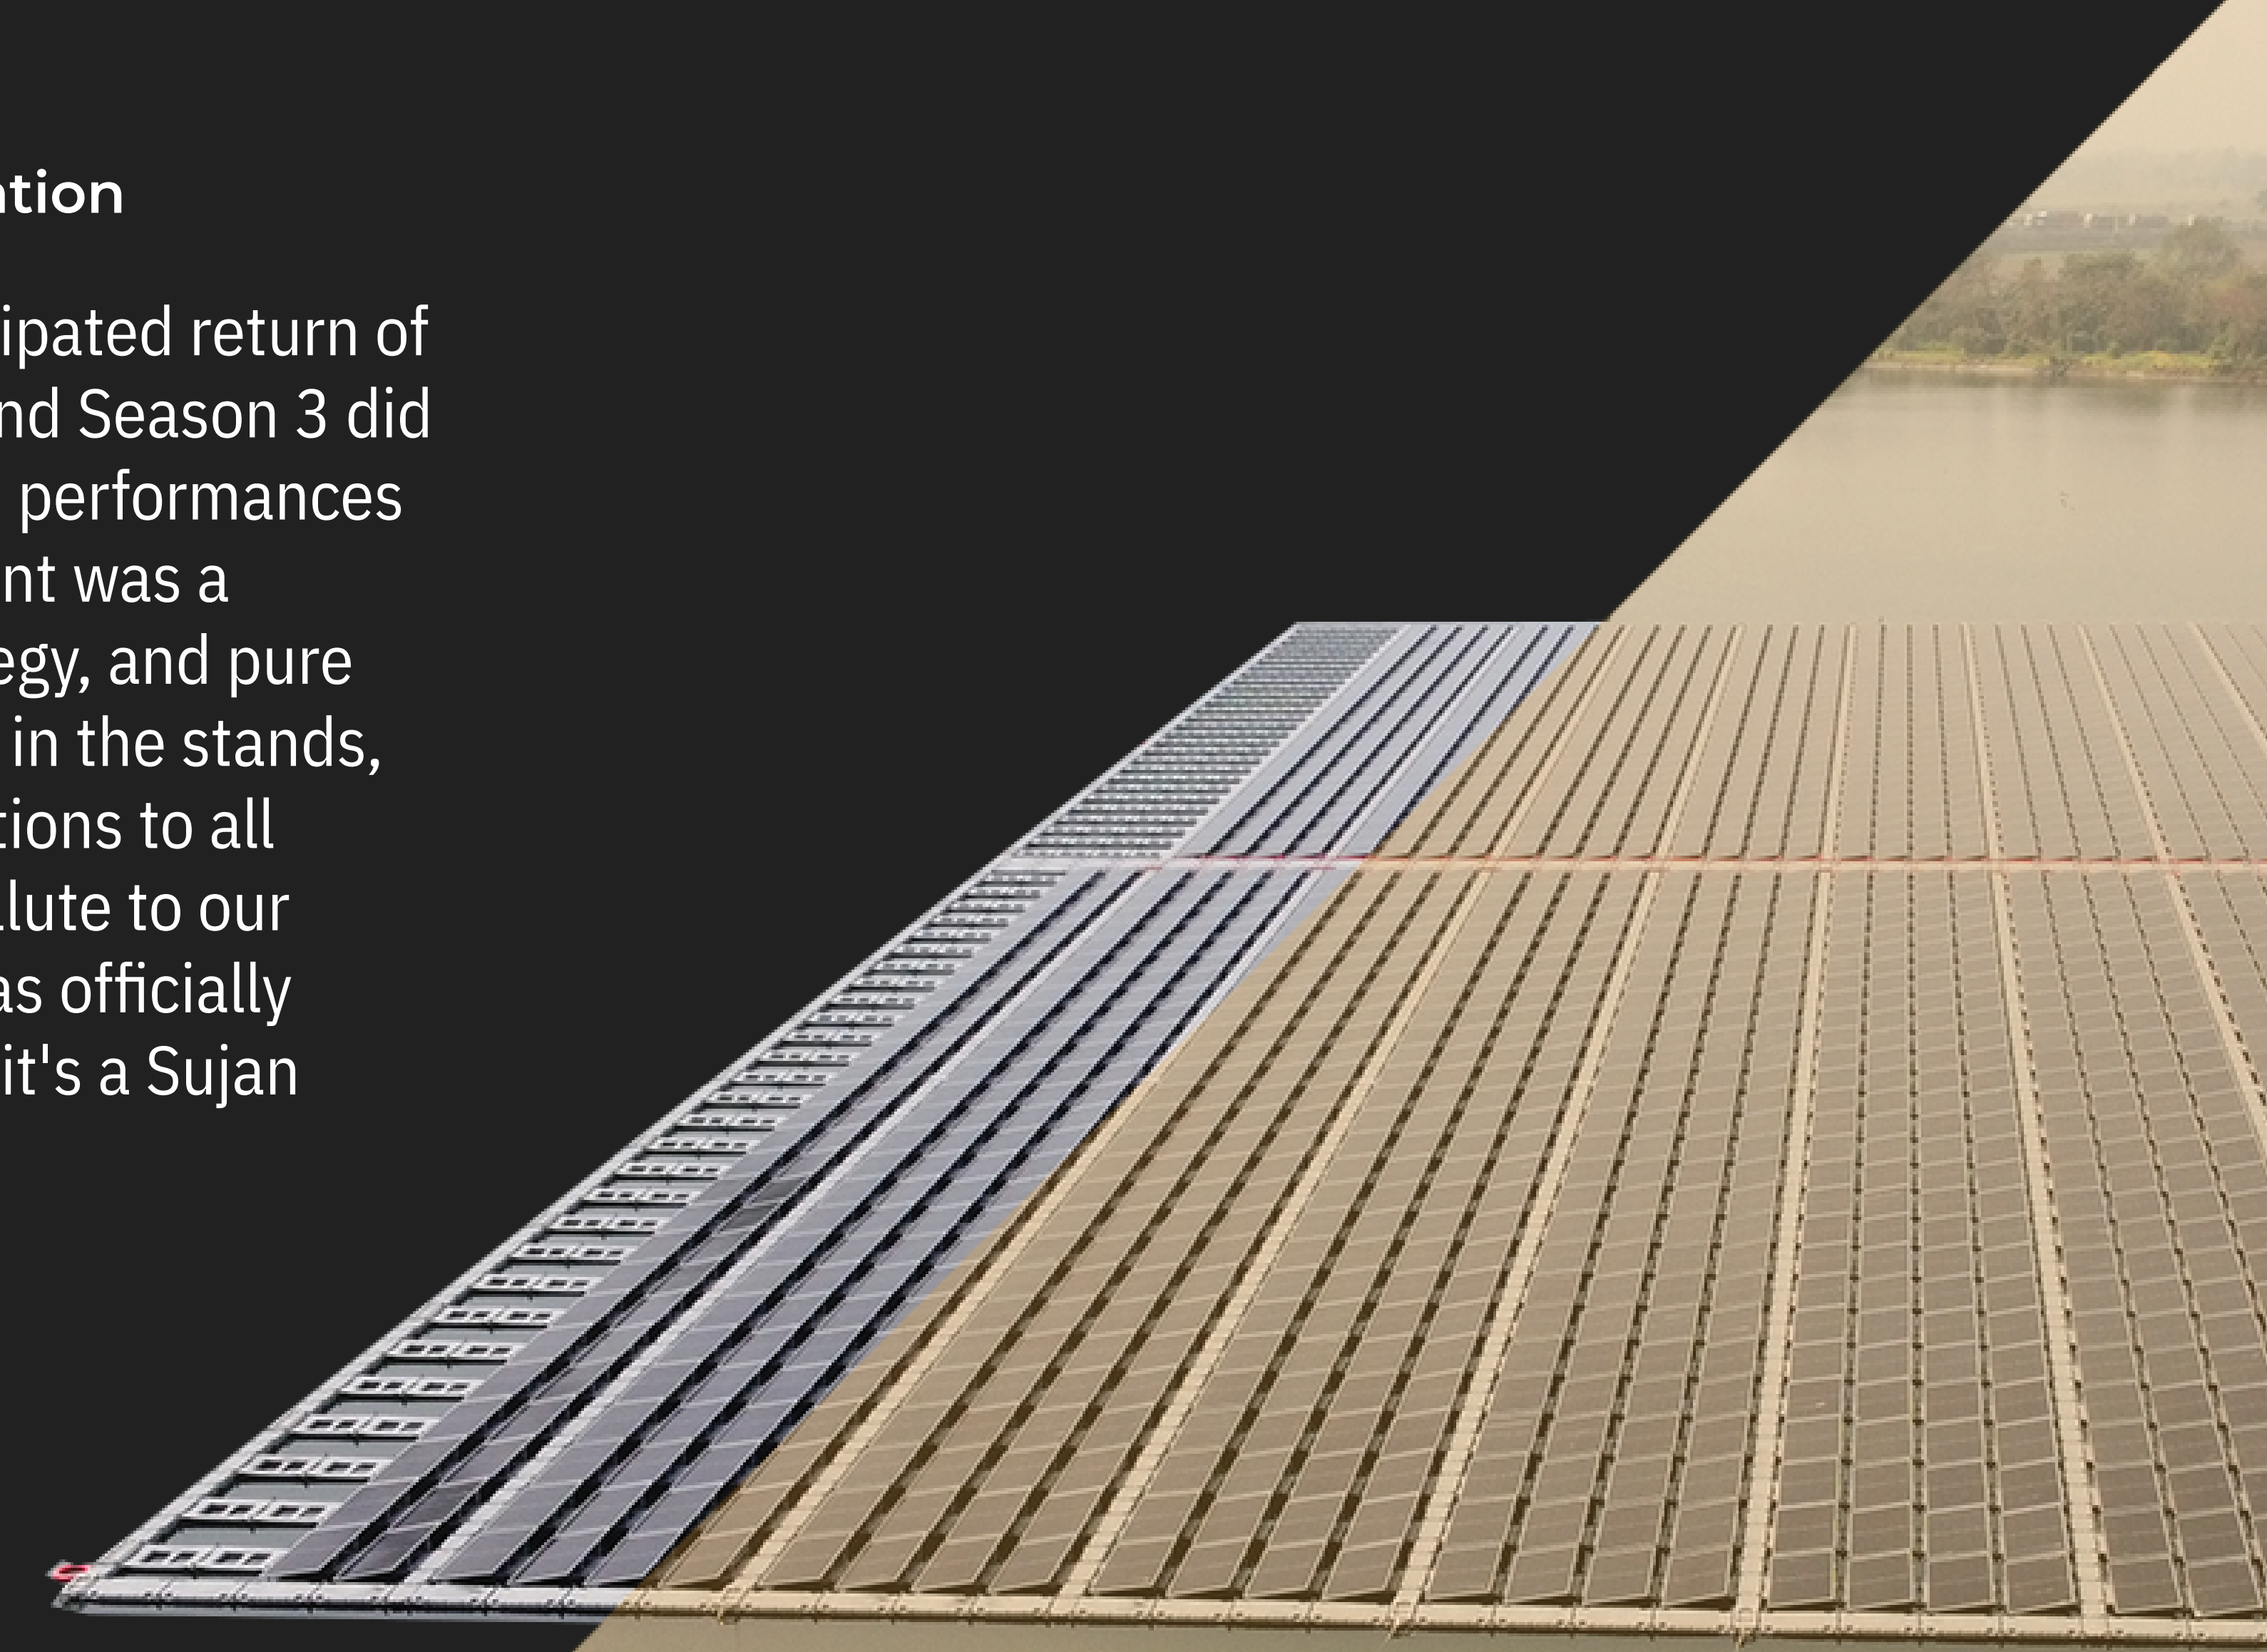

In a truly meaningful moment this month, the Ashok Sujan Scholarship Scheme was officially launched. Designed to support underprivileged children in their pursuit of education, this initiative carries forward a legacy rooted in empathy, integrity, and empowerment. More than financial aid, the scholarship offers dignity and possibility — a reminder that when we invest in education, we invest in a future where dreams can take flight, no matter the starting point.

SPL SEASON 3:

Cricket, Camaraderie, and Celebration

April brought with it the much-anticipated return of the Sujan Premier League (SPL) — and Season 3 did not disappoint! From power-packed performances to nail-biting finishes, the tournament was a celebration of sportsmanship, strategy, and pure team spirit. Whether on the pitch or in the stands, the energy was electric. Congratulations to all participating teams and a special salute to our winners, the Sujan Avengers! SPL has officially become more than a tournament — it's a Sujan tradition in the making.

HUSE ENERGY

Expanding our Renewable Reach

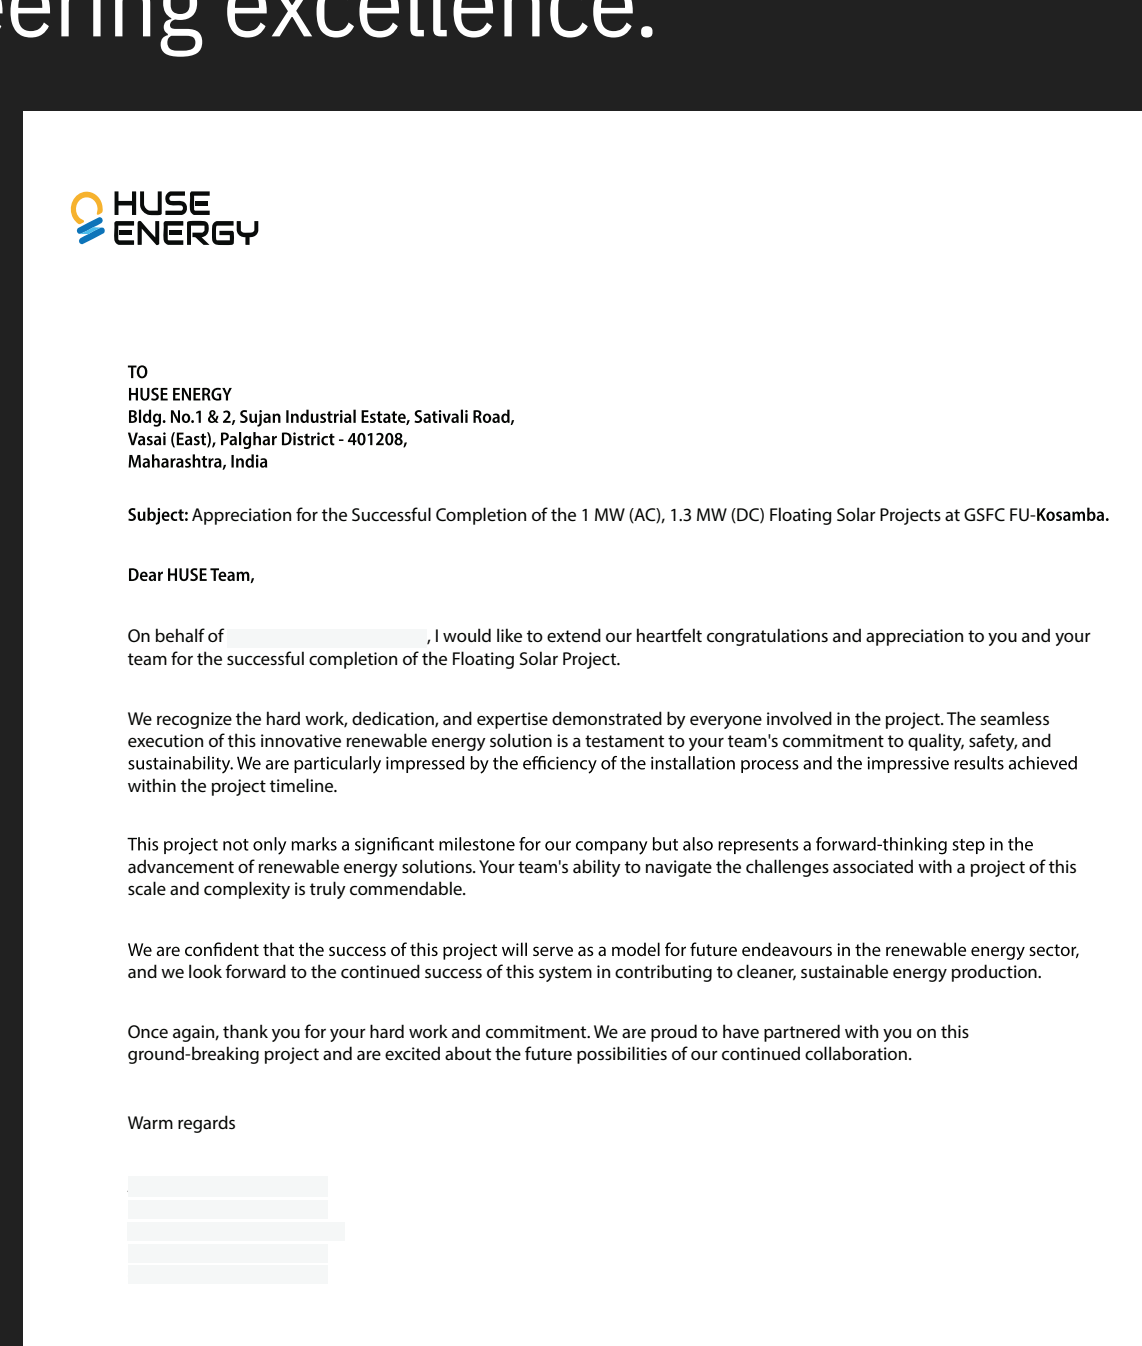

HUSE Energy executed two major solar projects, marking another milestone in our clean energy journey:

Kosamba, Gujarat (1.3 MW): A floating solar project that utilizes water surfaces to generate clean, efficient power — optimizing land use and setting a new benchmark in innovation.

Durgapur, West Bengal (1.2 MW): A floating solar installation that strengthens our footprint in Eastern India.

We're proud to announce that both projects have been successfully commissioned. The Kosamba project, in particular, received appreciation from key stakeholders for its timely execution and innovative design — a testament to our team's dedication and engineering excellence.

These achievements reaffirm HUSE Energy's commitment to delivering impactful, sustainable solutions that drive India's green transition

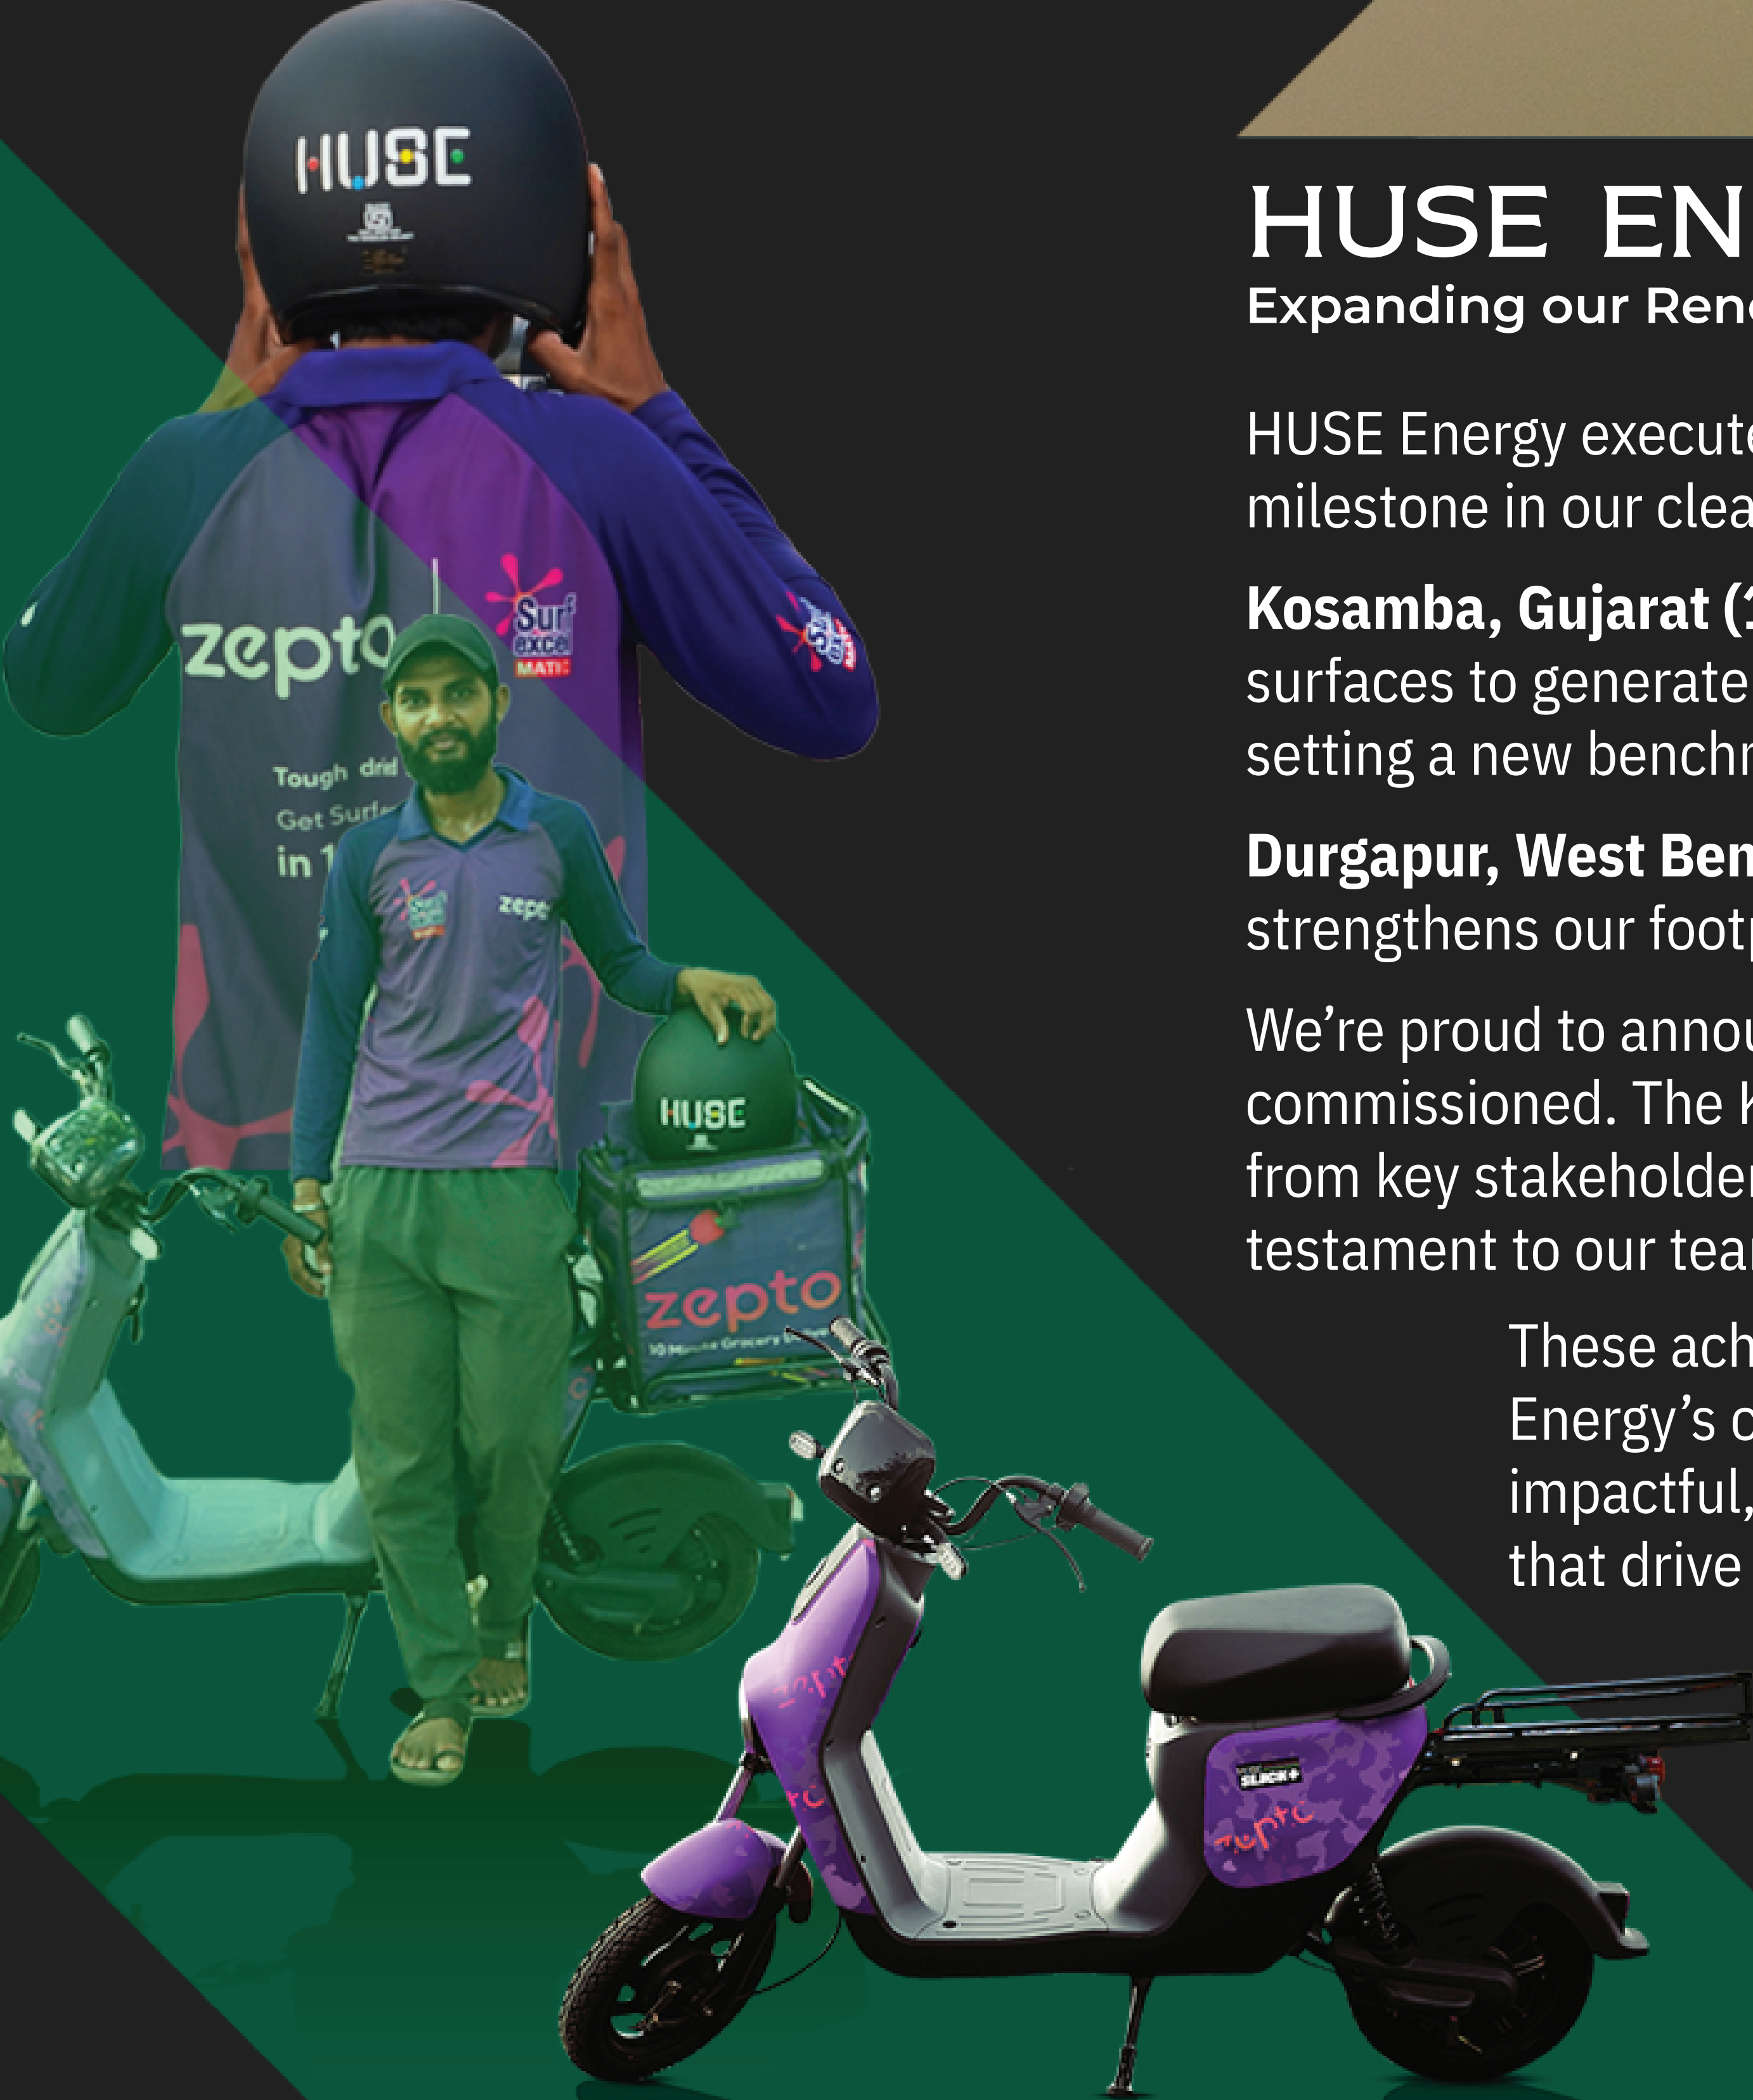

HUSE BIKE X ZEPTO

Redefining Last-Mile Mobility

We're thrilled to announce a strategic partnership between HUSE Bike and Zepto, one of India's fastest-growing names in hyperlocal delivery. This collaboration brings together Zepto's commitment to lightning-fast service and HUSE's cutting-edge electric mobility technology.

Through this partnership, HUSE Bike will power Zepto's last-mile delivery fleet, offering sustainable, reliable, and high-performance e-mobility solutions that support Zepto's rapid delivery model. From reduced emissions to enhanced operational efficiency, this alliance is not just about deliveries — it's about driving a greener, smarter future for Indian cities.

PARTING WITH GRATITUDE

Bidding Farewell to Inderdeep Sir

This month marked the end of an era as we said goodbye to ID Sir, a pillar of Sujan Industries. Known for his deep knowledge, steady leadership, and unwavering commitment, he leaves behind a lasting legacy. Though he steps into a new chapter, his influence remains an enduring part of ours. Thank you for everything, Sir.

INNOVATION IN MOTION

Sujan Takes the Lead in Rail Monitoring Tech

We're thrilled to announce that Sujan Industries has won one of India's first-ever OBCMS (On-Board Condition Monitoring System) tenders, floated by BHEL—a major leap in railway digitization. Huge kudos to everyone involved, especially our partners at Nexxiot and Viezo, for the smooth collaboration and delivery of a fully compliant, future-ready solution. This win reflects our growing reputation as a system integrator and tech enabler for Indian Railways. Let's keep pushing boundaries—together!

GET FEATURED

We'd love to hear from you! If you have an exciting project, milestone, or personal story you'd like to share with the community, we're all ears. Drop us an email at brand@huse.co.in and let us know what you've been up to!
